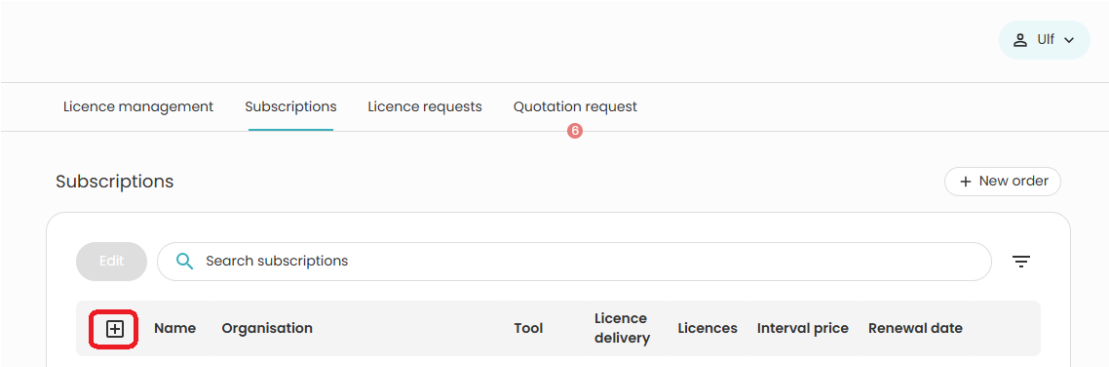
Update price on multiple subscriptions with an index (percentage)

Ulf Kronsell - 2025-04-09 - Subscriptions

In order to easily conduct price updates you can now mass update prices on subscriptions with an index (percentage).

Tip! If you want to update **all** subscriptions, scroll down to the bottom of the page (until the page does not update any more), then scroll back up and click the plus icon, see image below.



Mark the subscriptions you want to update, click **Edit**.

Set the percentage you want to change the price with. Click **Save**.
