Delete discount ladder

Ulf Kronsell - 2023-07-03 - Discounts

Click **Economy** and then **Discount codes** in the left menu. Click the tab **Discount ladder**. Click the discount ladder you want to delete, in the bottom right corner click the button **Remove**.

NOTE! Orders/Licences with automatic renewal (subscriptions) will still get the discount from the discount ladder, even after it's been deleted, for subsequent renewals as long as the subscription is running.

The screenshot shows the Skolon web interface. On the left, a sidebar contains navigation links: Home, Activated demos, Economy (selected), Licence management (8), and Tools. The main content area is titled 'Order history / Discount codes / Discount ladder'. Below this, there are tabs for 'School', 'Tools', and 'Discount'. The 'School' tab is active, showing a 'Select school' section with a search bar and a '+ New customer' button. Below the search bar is a table with the following data:

School	Status	Discount link	Number of schools
<input type="checkbox"/> All schools in Skolon	-	-	Information missing
<input checked="" type="checkbox"/> Skolonkommunen 115 teachers, 4436 students	Existing customer	-	4

At the bottom of the table, it says 'Rows per page: 20' and '1-1 of 1'. Below the table, there are links for 'Terms of Service' and 'Support'. At the bottom right, there are two buttons: 'Remove' (highlighted with a red box) and 'Save'.

Confirm removal by clicking **Remove**.
